

Christ's Haven Partnerships & Events Manager

Normalcy. Dignity. Hope. – Christ's Haven For Children is a nonprofit organization centered around these core values. We are located in the North Fort Worth/Keller area and provide a trauma-informed, family model of care for displaced children, teens, and young adults. As a voluntary placement organization, we are an option outside of traditional foster care, often when a caregiver has exhausted all efforts to care for a child. Whether a child is with us for six months or sixteen years, we utilize that time loving them as our own and instilling normalcy, dignity, and hope into their lives. As a Christian organization, our hope is that their time with us will help lead them toward healing from their past abuse and/or neglect.
