# YOUR IMPACT

Christ's Haven For Children is a 501c3 nonprofit organization providing a trauma-informed, family model of care for displaced children, teens, and young adults. As a voluntary placement organization, we are an option outside of traditional foster care, often when a caregiver has exhausted all efforts to care for a child.

Your support provides the following programs:

Residential Care  
College & Career Readiness  
Family Resource Center

Summer Activities  
Food Pantry  
Resale Shop

Whether a child is with us for six months or sixteen years, we utilize that time loving them as our own and instilling normalcy, dignity, and hope into their lives.
