Back-Up Caregiver

A Back-Up Caregiver fills in for Houseparents when emergencies arise or Houseparents have an extended leave.

- Back-Up Caregivers must complete all paperwork and training before serving in this role.

- This is a paid position and requires the most extensive screening and training including:
  - Background Check & Fingerprint Verification
  - Drug Screening
  - Waivers & Duty to Report
  - Christ's Haven For Children's Statement of Faith
  - 20 hours of in person & online training
